Time & Timetables: Medium Practice Paper 1 Answers

Q#	Answer	Explanation
1	E	Bus 1 leaves Market Square at 09:12 and reaches the Airport at 10:05. From 09:12 to 10:05 is 53 minutes.
2	C	The departures are 09:12, 09:32, 09:52 and 10:12. Each one is 20 minutes after the one before.
3	B	The Airport arrivals are 10:05, 10:25, 10:45 and 11:05. The last one that is not after 10:30 is 10:25, which is Bus 2, and Bus 2 leaves Park Gates at 09:46.
4	D	It is 25 minutes from 11:35 to 12:00, leaving 30 more minutes, which reaches 12:30. From 11:35 to 12:30 is 55 minutes.
5	E	Two hours is 120 minutes and a quarter of an hour is 15 minutes, so altogether that is 120 + 15 = 135 minutes.
6	E	The hour hand is just past the 9. The minute hand points at the 2, and 2 × 5 = 10 minutes. The time is 9:10.
7	C	June has 30 days, so 5 days take you from the 25th to the 30th. That leaves 14 − 5 = 9 more days into July, which is 9 July.
8	D	A leap year divides exactly by 4. Of these, only 2024 does, because 2024 ÷ 4 = 506.
9	A	It is 10 minutes from 14:50 to 15:00, leaving 25 more minutes, which reaches 15:25. From 14:50 to 15:25 is 35 minutes.
10	B	Add the minutes: 45 + 30 + 25 = 100 minutes. Since 100 = 60 + 40, that is 1 hour 40 minutes.
11	B	Take the hour off first to get 14:05, then count back 50 minutes to 13:15. Checking forwards: from 13:15 to 15:05 is 1 hour 50 minutes.
12	D	The buses leave at 08:00, 08:15, 08:30, 08:45 and 09:00. Counting them gives 5 buses.

13	A	From 11:20 to 13:05 is 1 hour 45 minutes: one hour takes you to 12:20, then 45 more minutes reach 13:05.
14	C	Read down the Wed column: the 1st, 8th, 15th, 22nd and 29th. That is 5 Wednesdays, so 5 lessons.
15	C	Three hours is 3 × 60 = 180 minutes, and half an hour is 30 more, so 180 + 30 = 210 minutes.
